Lenovo will rock your world with its flawless net book by [Wenddymadden](#)

Article published on January 12th 2012 | [Hardware](#)

Enjoying the luxury of being among the topmost names of computer industry, Lenovo has stolen quiet a place not only in the hearts of the tech-savvies but also other people who are not very much into technology but are still in touch with the laptops in some way or the other. After the arrival of Lenovo mini laptops in the industry, Lenovo's luxury has got rather more luxurious.

The Lenovo netbook that has charmed the people with its wonderful proficiency is the Lenovo Mini S10-3. Stuffed with an intel Atom Processor N450, the system runs at a very good pace of 1.6GHz which easily manages multi tasking and the complexity of the system. 250GB SATA Hard Drive and 1GB 204-Pin DDR2 SO-DIMM Memory has made the system work in the most proficient manner rubbing all the chances of malfunctioning, slow working and the possible chaos. Windows 7 Starter 32-bit is added in the Lenovo laptop as the operating system which let the user operate in the best way. The Lenovo net book has got a 10inch display LED Display with a resolution of 1024x600 that gives a bright and glossy display and has got one of the best keyboards that allow comfortable and smooth typing experience to you and does not produce any unnecessary and disturbing sounds while typing. The Matte lid and palm rests are two factors that make the Lenovo Mini S10-3 price appear even cheaper.

The multimedia bucket is full of many admirable attributes like Altec Lansing Stereo Speakers, Intel Graphics Media Accelerator 3150, and shared Onboard Video Memory, integrated webcam and microphone. These multimedia features entertain the users on one hand and let them feel relaxed on the other. To let you connect with the world around, many remedies are integrated in this Lenovo netbook like Wi-Fi, Bluetooth standard Ver. 2.0+EDR for wireless connections and 3 USB2.0 ports for sharing of data via wires.

With all these excellent features in its pocket Lenovo Mini S10-3 has proved to be an admirable, easily portable, well-functioning, visually sound device. And the cost of this gadget is not much if we go by the Lenovo mini laptop price in India. The laptop comes with a warranty of 1 year and buying this laptop will be a perfect deal. The summation of all these traits has made this mini laptop a wonderful product to be bought and will bring wonderful outcomes.
