Animal Hospital Middletown for Complete Medical Care of Your Pets by [Justin Bayer](#)

Article published on April 4th 2012 | [Health](#)

Monhagen Veterinary Hospital is a complete service veterinary hospital that offers cutting edge, compassionate medical care located in Middletown, New York. We are a member of the New York State Veterinary Medical Society and the American Veterinary Medical Association. We offer quality veterinary services including dental care, wellness exams, diagnostic testing, vaccinations, and bereavement support. Monhagen Veterinary Hospital is your Middletown Vet for quality Animal Health and Wellness. If you need a Pet Vet in Middletown for routine care, surgery or emergency treatment you have found your best Middletown Vet, Dr. Joshua Furman. Monhagen Vet Hospital provides treatment for illnesses and injuries for your pets. At Monhagen Veterinary you will find experienced staff and a pet centered environment. Monhagen Veterinary is committed to your pet's good health. It's an Animal Hospital in Middletown you can always rely on for your pets.

Your pet is a member of your family and we welcome your furry kid to our Middletown Vet practice. We will recommend the same procedures and products we would want for our own pets; and emphasize preventative care. We strive to provide quality, progressive veterinary medicine and surgery to all clients in a timely, friendly, and professional manner. Our goal is to maximize the health of your pet. To achieve this we pledge to have a courteous, caring, and knowledgeable staff that is eager to be of service. We make a commitment to further our doctor's and staff's knowledge through seminars and continuing education courses. We will continue to maintain the highest ethical and medical standards and promise to communicate openly and honestly with you. Our goal will be achieved when we have exceeded your expectations and you are comfortable referring friends and family to Monhagen Veterinary Hospital for the care of their pets.

Our Services for your pets are:

• Wellness Exams

• Vaccines

• Laboratory

• Surgery

• Radiology
