Article published on June 29th 2012 | [Health](#)

A winning smile is something that everyone desires. We at Orthodontics by Crutchfield understand this and offer customized treatment to all our patients to help them achieve a straighter, more properly aligned teeth. A perfectly done orthodontic treatment will improve your facial aesthetics and give you the smile you always wanted. At Braces Fairfax VA, we use sophisticated treatment options and cutting-edge technology to reduce pain and discomfort. Use of modern technology has also helped to reduce the duration of treatment and get desired results in less time. We treat every orthodontic case with equal importance and work hard to make the treatment comfortable, pain-free and convenient for all our patients. Be it children, teens or adults, we monitor the progress carefully to ensure the best possible results.

Properly aligned teeth not only give you a beautiful smile but also help to maintain good oral health and hygiene. We at Orthodontics by Crutchfield work towards correcting wrongly aligned teeth and maintaining optimum oral health of all our patients. By practicing comprehensive and preventive patient care, we work hard to develop long-term relationships with all our patients. Different factors such as can hereditary, uneven jaw alignment, tooth size and more can prevent you from flashing a beautiful smile. Orthodontics at braces fairfax va consider all these factors and do their best to align your teeth to fit the size and shape of your face. By providing the highest quality of dental care to all our patients, we strive to protect the health and well-being.

Orthodontics by Crutchfield not only make your smile look better but also correct the occlusion and overall oral function. If you need braces, the orthodontics will follow a systematic process to ensure best results. They will study your x-rays and intraoral photos to plan the best orthodontic treatment for you. The orthodontics at Braces Fairfax VA will also explain the different treatment options to you, such as SureSmile, Invisalign and Damon Braces, making it easier for you to choose the best treatment. Our doctors will be happy to answer all your questions about any kind orthodontic treatment. If you are not happy with your smile or want to undergo bite correction treatment, get in touch with the Orthodontics by Crutchfield today!

Orthodontics by Crutchfield plan the entire treatment carefully and make use of the latest technology to create a comfortable environment for all its patients. We understand that your smile, appearance and overall oral health are the most important aspects of your dental care and do the best possible treatment without compromising on any factor. With the use of advanced computer-driven technology, Braces Fairfax VA can complete your treatment in lesser time and save you from frequent appointments with the orthodontics.
