USA Made Volcano Disposable Cigarettes by [Joe Volcano](#)

Article published on February 20th 2012 | [Health](#)

Volcano Electronic Cigarettes have created a product that allows customers to try vaping, but don't want to deal with the hassles of the kits. The all new USA Made Volcano Disposables. These Disposables are small and simple, perfect for those first time vapers who want to switch to vaping. Volcano Ecigs offers America's Best Electronic Cigarette in its most simplest form.

The new Disposable Ecigs have many things to offer new vapers. They are handy, and easily managed, as they do not include all the bits and pieces of a Kit from Volcano. These disposables include only a Battery and a Pre-filled Cartomizer. The Disposables come in either Menthol or Tobacco flavoring, and in either Zero, light-flavoring, or full flavoring, giving the customer simplicity as well as good variety. Although it may not look it, this Disposable Ecig gives you vapor that lasts up to 2 packs of a normal cigarette. These Pre-filled cartomizers contains 1ml of the highest quality, USA made Eliquid. Unlike all the unhealthy chemicals and ingredients that come with analog cigarettes, our USA Made Eliquid contains only the highest grade Nicotine, Propylene Glycol, and vegetable Glycerin. The Volcano Disposable Ecigs contains no tar, no smoke, and no ashes. With Volcano's new USA made Disposable Ecigs, you get the look and feel of a regular cigarette without any of the hassles or chemicals.

The Volcano Disposable Ecig is great quality at a great price. The convenience of this product allow the new vaper to try a easy and satisfying new way of vaping, all for a great price. The Volcano Disposable's come at a great, low price of only \$12.99. They can also be found at stores such as Walmart, K-Mart, and 7-11. Volcano Disposables also are a great product if you are interested in wholesale. We recently introduced them to customers at our Volcano Pool Party and they were a great hit. If you are interested in Wholesale from Volcano send us a email to [Wholesale@Volcanoecigs.com](mailto:Wholesale@Volcanoecigs.com) for more information.

The all new Volcano Disposable Electronic Cigarettes are great for people who don't want to empty their wallets for a quality Vapor experience. Volcano Disposables are convenient, affordable, and as always, great quality. This e-cigarette joins Volcano in their quest to bring new vapers the best alternative to smoking. Other Kits sold by Volcano are their New Express Starter Kits, Volcano, Magma, and Inferno Kits for the more advanced and long-term vapers.
