Why you should stay at BridgeHouse by [James Blee](#)

Welcome to BridgeHouse â€œ as the most superlative of any other luxury hotels Dorset â€œ Beaminster just wouldnâ€™t be the same without us!

Dorset: founded by Mesolithic hunters in 8000 BC, sits uberously, carved from the rough- hewn and harsh terrain of Britainâ€™ South Coast. Benefiting from warm, sun- drenched summers and milder- than- mild winters- Dorset is omnipresent on many- a- touristâ€™s â€™to visitâ€™ list and, given its long and opulent castle- dense climate- steeped in culture and tradition; there are few out there who wouldnâ€™t feel the benefit of an annual staycation in this beautiful location.

However, if your regular getaway does indeed, only occur but- once a year, you need to make sure that it is something special; something that a generic greasy- spoon B+B canâ€™t offer you, in terms of time spent away from the usual 9-5 Rat Race that your everyday life entails.

Look for â€™luxury hotels Dorsetâ€™ via any online search engine, stumble across the BridgeHouse in Beaminster and, one of the best Luxury Hotels Dorset is exactly what youâ€™ll find.

And, if you do scour the web for luxury hotels Dorset, then youâ€™ll find that Beaminster isnâ€™t exactly in the kind of holiday accommodation you are looking for; itâ€™s this that sets us apart from other luxury hotels Dorset.

Situated in the small, charming market town of Beaminster - amid picturesque hills and at the head of the valley of the River Brit - here at BridgeHouse we are better located than other, so-called luxury hotels Dorset because, we recognise that itâ€™s not just hotel facilities that make a vacation; itâ€™s what you and your loved ones can get up to while youâ€™re there. So, you will still get- arguably- one of the most superior luxury hotels Dorset whilst gaining easy access to any number of local beauty spots and activities within a stoneâ€™s throw.
