With over twelve years' experience Aston Glass has constructed a reputation as one of the premier glass merchants in London. We take immense pride in our glass balustrades, and associated products, customer-centric service and our continued growth is only testament to this, especially considering the fact that a large percentage of our business is due to repeat business and recommendations from previously satisfied customers.

As an independent retailer we are not tied to one particular product or manufacturer, and hence are able to supply the widest selection of premier products from glass balustrades to glass shower screens at prices that are as competitive as our products are superior.

Our glass balustrades are perfect for application in any number of environments. Whether you have an outdoor swimming pool and are considering erecting the perfect safety environment, or have outdoor decking and are looking to encase the environment in a sophisticated manner, then the glass balustrades that we stock are the obvious choice.

In addition to the glass balustrades that we are able to supply, here at Aston Glass we are able to provide a range of glazing solutions uniquely tailored to your individual requirements. Whether you have a broken pane, shop front or glass door, our dedicated team of professionals will resolve the issue in a timely and efficient manner. We endeavour to resolve any and all issues on the same day, and in ninety percent of cases this promise is upheld. This automatically saves you time and money in associated fees, not to mention the personal worry of walking on the scattered broken glass.

If you'd like to contact us to discuss any requirements that you may have, from the installation of glass balustrades, the width and measurements of the range of glass balustrades that we supply, or indeed any of the products and services that we offer then you need only come and visit us online at: www.astonglass.co.uk.
