Article published on February 16th 2012 | [Home Improvement](#)

Every home today is filled with millions of dust mites but not all residents are aware of the hazardous effects of these microscopic organisms. And then those who are aware of the same do not follow adequate measures to keep their home dust-free. Those who do are leading healthy lives. It is only with the use of a vacuum cleaner that you can find your home perfectly clean. And there can be no better appliance than the Eureka Forbes vacuum cleaner. Millions of people across the country rely on the Eureka Forbes vacuum cleaner, the reasons being innovating features, groundbreaking technology incorporated, superlative quality, high performance, and more. Visit www.eurekaforbes.com to browse through the complete range.

Do you know dust mites keep on multiplying in thousands? If you do not clean today's dust, you can well imagine the amount of dust accumulated tomorrow and likewise piling up by the day. The nooks and corners of your home, curtains, rugs, carpets, air filters, etc. all harbor dust. Use the Eureka Forbes vacuum cleaner and get rid of dust and micro organisms. Dust mites are so tiny that one gram of dust would contain 19000 of these bugs which release a potent 'allergen' triggering off allergies such as asthma, eczema rhinitis, etc. The dust allergy that you suffer from quite often is caused by these dust mites. Eureka Forbes vacuum cleaner is designed to remove even the toughest of dirt so that your home remains immaculately clean everyday. Visit www.eurekaforbes.com to order your desired appliance today.

There are two brands of the Eureka Forbes vacuum cleaner. One is the Euroclean, available via direct sales, i.e. right at your doorsteps. All Euroclean models with a brief description of each including image, price, features, and technical specifications are displayed at www.eurekaforbes.com. Most of the appliances can be booked online against a nominal amount. The rest of the balance amount can be paid by cash on delivery. Appliances that can be booked online are mentioned at www.eurekaforbes.com. You can also send requests for home demonstration online at the same platform. The company also facilitates consumers to send demo requests via SMS. All you need to do is type "AGD" or "ECV" and send it to 566775. Alternatively, you can dial 3988 3333, the company's customer care number accessible round the clock for demo requests and orders. Enquiring about the products can also be done dialing the same number.
