Article published on January 3rd 2012 | [Interior Design](#)

With recognizable interior projects seen all across the United States, it is no surprise that Gray & Walter has established itself as the leader in New Jersey Commercial Interiors. With more than two decades of experience and countless commercial projects in their portfolio, Gray & Walter is an accomplished design firm based in Chicago; the firm is proudly offering design services to boutique hotels, corporate headquarters, private clubs and many more. There is also no need to be based in or around Illinois to request the services of this Chicago-based design firm; Gray & Walter manages projects all over the country, including strong ties to New Jersey clientele.

What differentiates Gray & Walter from any other design firm in America certainly is its unique design philosophy. All designs offered by and projects managed by Gray & Walter are the result of an intimate dialogue between the client, the designer and the site. It is of the utmost importance for Gray & Walter to respect the client's vision and offer a design that will not only be innovative and creative, but will communicate the brand and image of the particular client. Also, it is important to note that Gray & Walter offers a calibrated balance between form and function and will not only enhance the existing attributes of the site but make the most out of the space in terms of style and functionality.

As one of the leading designers of New Jersey Commercial Interiors, Gray & Walter's team has worked on a myriad of commercial projects in the area. As aforementioned, some of their previous projects have involved boutique hotels, corporate headquarters and private clubs. For Gray & Walter, no project is too small or too big; whether you are seeking ground-up construction, renovation, interior architecture, decoration or redesign, you will be welcomed among the valued clientele of the firm with open arms. Gray & Walter prides itself in customer satisfaction and will assist you in all design phases in order to achieve your final vision through phenomenal design, no matter what the overall style of the project is.

All in all, Gray & Walter truly is a unique design firm for commercial interiors. With no distinguishable pre-established style, Gray & Walter is able to adapt its design and expertise to any image, vision or style desired by each individual client. This is perhaps what has made Gray & Walter so successful over more than two decades. If you are in need of commercial interior design or any other type of design service, Gray & Walter is certainly your go-to choice.
