It is obvious that every one will love to download free icons for his computer by [Meghnath Kumar](#)

Article published on January 29th 2012 | [Internet](#)

All those who use Windows 8 or Windows 7 must be aware of the increasing use of icons. These users are very much familiar with the searching and downloading of new and unique icons almost everyday. In the past few months, this has increased a lot and the custom designing of new icons have become very popular. Just like <http://www.iconwanted.com>, various sites are providing free downloading of several icons. You cannot imagine that you can even find unique icons for any occasion even for Christmas and Easter. If you will visit the above mentioned URL, you will find icons that are unique and attractive.

It is obvious that every one will love to download free icons for his computer and phone, both. Before moving further you must know what the major function of these icons is. These icons, also known as symbols or small images, provide a shortcut to the users. Currently the users of Vista, Windows 7 or Windows 8, are making the best use of these free icons. This is because these icons provide them a short cut for accessing any kind of data as well as they work as an attraction. It is obvious that every symbol has some meaning behind them, therefore these icons carry a meaning as well.

For example, if you see a symbol such as an open envelop, that means that by clicking on that symbol you can get an access to your inbox, whether in your phone or on your PC. Similarly the above mentioned web site allows every user to download free icons. Let's have a look to the Easter Icons. You can find five exclusive Easter Icons on this site. These free icons include a painted blue egg in an egg cup, a basket full of colorful painted eggs, a chocolate rabbit, a silver bell and a pastry. You will definitely find these icons very cute. You can either download them to use in your PC or on your phone. You can share these with your friends.

When ever a celebration comes, we try to reflect that celebration through things present around this. This Easter, make your computer a part of it. Download these unique icons, and use them for any purpose. This will give you a special feeling. These will definitely add a spark to your computer and mobile, both.

One thing that you can do is to save your Easter celebration pictures in a folder, and represent that folder through any Easter Icon. You can choose the colorful eggs basket. That icon will always remind you of your beautiful Easter celebration. Suggest this URL to your friends also. They will definitely love it. Apart from Easter, one can find cool and eye-catching icons for Olympics also. Hence there is no limit of icon designing. You can get some of your own choice through an order.

You might admire the icons for Games, as they are unique and perfectly designed. Make sure you download all your chosen ones very carefully.
