Take Advantage of Gathering Skills Help You Get More SWTOR Credits

Five tips Help You Get More SWTOR Credits

With so many people living in the new online game Star Wars: The Old Republic, those unique, interesting and exciting game content always make them do not want to go away, and they always want to get some better methods help them make more swtor credits, even most of them choose to Buy SWTOR Credits online. So, here we will share some swtor credits knack for you, hope you will be rich as soon as possible. If you are the first time playing in the game and you want to make lots swtor credits , read the next content carefully.

There are four gathering skills in Star Wars: The Old Republic. Archaeology, Bioanalysis, Scavenging and Slicing. Archaeology allows you to locate imbued items like Lightsaber crystals and even ancient artifacts. With Bioanalysis you collect genetic materials from creatures and plants and Scavenging allows you to recover materials and parts from old or dilapidated technology. Slicing gives you the skills to access secured computer systems and lockboxes that can give you valuable data or schematics. Slicing is the preferred skill as it seems to be the most profitable of the gathering professions. However, if you do not wish to go that route, make sure you heavily farm whichever one you do choose.

Take advantage of those gathering skills you've acquired by farming for materials. Many players have found more success from harvesting themselves rather than having their companions do it for them. Crafting skills can often be a money sink, so try to avoid wasting materials on them until you've reached a higher level. If you're familiar with any MMO, you're probably well aware of gathering skills. Just about any RPG has it. To put it simply, it is the profession that includes the gathering of materials needed for crafting.

Make sure you complete all the daily quests as they can earn you a nice amount of credits. Rinse and repeat everyday! There is a great post over on the SWTOR forums that gives some greater detail on what the dailies entail.

Warzones, or PvP, will also earn you some nice credits. In addition, you'll also be earning valor, experience, and commendations.

It should go without saying " loot every single item you can. Remember even junk has value! Take all of the "junk" and send your companions off to sell it for you. They'll make more money than you doing it yourself.

Check out your local GTN and see what's lacking. Most of the time you'll be able to pick up on the things while leveling because you'll need them yourself. Once you've found some things that your server is lacking, you can in turn become the supplier with your current character, or alternate one.

Following with these five tips, I think the swtor credits will not your troubles any more. Hope all of you get a happy time in SWTOR. In addition , we are always here provide all players those game news and information and some other content, if you like you can browse more!
