Invicta Watches - at the Epitome of Success by [Ellenwood](#)

Article published on December 22nd 2011 | [Jewelry](#)

Raphael Picard launched Invicta Watches in the year 1837 and they were known for manufacturing the most genuine and excellent quality of Swiss watches as the company initially operated from Switzerland. Invicta Watches are named rightly so on the basis of the Latin word invincible which means supreme and unbeatable. Invicta Watches are very stupendous, swanky and surreal. Timepieces by Invicta are for men and women in a number of designs, colors, shapes and sizes. They are crafted with utmost precision and made with the most advanced technology.

Invicta Watches for men are very sturdy, solid and technologically advanced. They are very pleasing to the eye. Due to their colour variations, bold designs and durability, Timepieces by Invicta have been very popular amongst men. The Invicta 0104 Invicta II Men™s watch is a bestselling timepiece. It is made of stainless steel material and it has a leopard stone dial. This enhances the already stunning look of the timepiece. It has salient features like flame fusion crystals, calendars, luminous hands etc which are very attractive and useful. The other Invicta Watches for men are equally captivating and mind blowing.

Invicta Watches are truly the most perfect accessory when it comes to women. They are very chic, slim and stunning. There is a wide assortment of collections for the women to pick from. All the timepieces are jewellery studded in order to attract eyeballs. The Invicta 0021 Wild Flower Womens watch is a masterpiece. It has the most stunning look due to its stainless steel band and red colour dial. The wristwatch has features like luminous hands, water resistance etc which make it all the more attractive. The other timepieces for women are equally elegant, luxurious and completely striking.

Invicta Watches are well known and a complete favourite of all the watch-enthusiasts because the prices are unimaginably affordable. They are well priced keeping in mind all their customers. Invicta Watches are easily sold in a number of retail websites at great deals and clearly in a number of departmental and chain stores all over the world. Due to these qualities, Invicta Watches are very easily purchasable and at an excellent rate. Invicta Watches are therefore the most dignified form of an accessory men and women.

Invicta Watches are truly the glorious version of a simple wristwatch and they have been making their mark in the market time and again. Timepieces by Invicta are the true symbol of magnificence, durability and glamour. Invicta Watches pay accurate attention to the finest details that go into the making of a watch. They are classified as being amongst the leaders in giving the world the most esteemed collection of time-pieces, which look splendid and use the greatest quality of technology to improve the watches time and again. Invicta Watches are the genuine reflection of one's™ personality. These are the exact features one looks for in a watch and Casio has never failed to deliver anything that is lower than these necessities.
