Loans against cars: would let you get self financed easily by [Adam Dorothy](#)

Article published on January 20th 2012 | [Loans](#)

Owning a car adds values to life. Using public transport brings hassles and other discomforts. You can use your car or vehicle at your own convenience. You can cover up long distance journeys by driving your own vehicle. If ever you are in cash trouble, then your vehicle would be the source of funds. There would be no need to depend on any one for extra cash needs. You can utilize your own car to bring money in to your home. Loans against cars are the secured loans provided by many money lenders. Usually, bigger banks provide loans against any property. It may be a land or your house. Nowadays, car is also considered as collateral against the loan amount.

However, it would be the logbook of the car utilized as collateral against the loan amount. Logbook is a legal document which carries the relevant information of the car. It includes the model number, engine number, color of the car, purchase date or registration number and the name of the owner. These loans are alternatively known as logbook loans. You need to prove your ownership to grab the loans against cars through the logbook or the documents. You would be sanctioned with the loan amount ranging between Â£500 and Â£50000. You would be given a repayment time from 5 to 7 years. You can utilize the car as a self financing tool and as a driving tool. In fact, your car would heighten the level of comforts. You can clear your debts and finance your emergency needs. Such emergency needs may be like sudden medical aid, unplanned trips, debt consolidation, etc.

These loans would simplify your needs and remove any question of poverty. You can easily qualify for loans against cars with bad credit history. You can easily fulfill your eligibility criteria with the following conditions once you get tied up with Car Logbook Loans:

- A. You should be a valid citizen of UK.
- B. You need to have a regular source of income.
- C. You must have a bank account or a checking account.
- D. The car should be under your name and should not be tied with any loan agency.
- E. e) The car must be free from damages and should be insured.

At the same time, you cannot apply for these loans with a car more than 8 years old. So no more worries for money. Produce the valid documents of the car before the lender and get financed instantly.
