Payday Loan with Savings Account: the One Stop Solution to Financial Problems by [Micles Jonson](#)

Article published on May 18th 2012 | [Loans](#)

Many a times you would have faced a situation when, for any particular month, your expense exceeds your monthly fixed pay. Sometimes, due to overuse, the electricity bill, while at other times your telephone bill may supersede your monthly budget. At such times, when you face the financial crunch, all you need is a lender who may provide you loan at low cost, and that too instantly. So, your best suited option can be pay day loan savings account scheme. This scheme provides you loan to easily pay all your bills when your pay has exhausted and the next pay day is not near.

Even the customers who have had a bad credit history need not worry, as we do not get into credit history checking and provide our service to all our customers, without any discrimination. While borrowing from other sources, may be a hectic job, involving too much paper work and formalities to be fulfilled before getting sanctioned. But this scheme enables you to apply online and get the cash with so much ease. After you have provided the basic details like name, age, contact details, bank account details, employment details etc, while filling the online application, which is hardly a matter of few minutes, you are done with your job. The cash will directly be remitted to your bank account in a short time of say, a day.

Payday loans with savings account provide you service anywhere and at anytime, so that you do not have to go for high interest rates when there is no other option available to you, and in emergency, you make the mistake of going to the wrong source.

This scheme provides you an option of repayment within a duration ranging from 14 to 30 days, which is quite convenient. You can avail cash of amount ranging from \$100 to \$1500. Anybody, who is a US citizen can avail this scheme and use the cash amount to repay any expense. To avail this scheme, you should have reached the age of 18 years and should be employed for atleast last 3 months. You also need to have an active bank account in any bank.
