Article published on May 15th 2012 | [Loans](#)

Financial crisis can happen to you at anytime. For salaried people this situation is very common. With increasing expenses it is pretty difficult to manage all your expenses. To help you with your financial crisis, Australian lenders have crafted short term loans named as same day loans. These loans are best when you need cash on vary same day of your request. Quick and easy approval is the main key feature of these loans. With in few hours of submission of your request, loan amount will be transferred in your checking bank account.

Internet is a medium which has made same day loans easily accessible. To apply for these loans you do not have to waste your time with hectic and tacky formalities like faxing, paperwork and documentation. You just have to register yourself on lender's website and ask for an online application form. The application form is designed in such a manner that it will not take much time of yours. Just 5-10 minutes and you will be done with application process.

Usually these loans are easily accessible by all types of borrowers. But it is necessary to meet these conditions to get the approval:

â€¢ Every applicant must have celebrated his/her 18th birthday. It means he/she must be an adult.

â€¢ He/She must hold permanent residency of Australia plus valid social security number.

â€¢ He/She must posses an active and valid checking bank account in any reputed bank.

â€¢ He/She must be working with any company or organization and must earn a healthy paycheck.

These short term fiscal loans are free from credit checking and collateral formalities. It means no need to worry about your bad credit record and collateral for borrowed amount. All that a lender wants from a borrower is a paycheck of above 1000 AUD. Like its nature, loan amount is also small i.e. 100 AUD-1500 AUD. This amount is very beneficial when you have to pay pending utility bills and paycheck is not in the scene yet. You can enjoy loan amount only till next payday. On your next payday lender will automatically withdraws his loan amount with interest rate from your bank account.
