Text loans- Now get money form your mobile phone by [Harris Steve](#)

Article published on February 10th 2012 | [Loans](#)

Sometimes we meet uninvited situations at the middle way of our life. When we don't have time for that situation and our pocket also no to support for handle it, but still we can not avoid the situation. If you need instant money to solve your financial problem, so take out your mobile and send SMS to solve your problem. Your mobile phone can help you to move out from your problems. It's called Text loans. This is very quick way to get the funds.

To get these loans you need to be citizen of U.K. or you have residence proof. Your age should be above 18 years old, you have valid bank account, e-mail address or mobile phone, for repay the funds you have source of income.

For Text loans you can borrow up to £100 to £300 for the time period of 15 days. You can use it as per as your requirement. These loans are offer only short term periods but it is good and very helpful for the time of emergency.

Apply for this funds you can fill online application form that is available at lender website. After that it will approve by the lender. You need to provide a valid pin code which they will verify when you text them for the amount of loan. Then Cash will transfer in your account. When you gat register with the company. You can free to take money whenever you want.

In this time every one have mobile and they also know how to use it. When you are in train or bus you are going to some where and suddenly you remember that you will not have money at that time. There is no need to take tension you have power of money. Your mobile phone will help you to take cash. So you can easily apply for cash. Just send SMS by your mobile phone. You have a mobile that means you have cash.

It is a most beneficial financial scheme for U.K. citizens when they fall in cash shortage. Do not worry for it. Just put on your mobile phone and sending SMS through your cell phone and your financial problem will be solve.
