Ingenuous Leather Case for the new iPad and iPad 2 (SRP:- \$39) by [Stiffen Z Master](#)

Article published on August 25th 2012 | [Mobile Phones](#)

iCUERO for "The new iPad" (3rd Generation) and iPad 2 provides best handling as well as look and feel experience for user day to day usage of iPad. This case is furnished with quality leather material, with interior layered with ultra slim interior microfiber layer that enables a very innovative portrait viewing and browsing position.

iCUERO features a multipurpose flap that it acts as handling cushion, and securing the back cover when using in portrait mode. This flap is comfortable to hold, user will experience superior handling when holding iPad while on the go. iCUERO features Genius Tape™ that it attaches your iPad with no distractive frames. Genius Tape is easy to use, easy to maintain.

### Product Features:

Innovative portrait viewing mode

Frameless attachment using Genius Tape™

Light weight and slim form factor

Supports the new iPad and iPad 2

Colours : Beige Body & Orange Grip, Black Body & Orange Grip, Orange Body & Beige Grip

No complicated mechanical to enable portrait viewing mode.

We patented the design of the products. This product is very unique among the iPad cases and they require complicated mechanical to enable portrait viewing mode, iCUERO design is simple, elegant. We also include a magnet flap that fasten the case so it improves handling dramatically.

The SRP is USD 39, available at [www.fokslogue.com](http://www.fokslogue.com)
