Unlimited music for free for 15 days, extra talk time – these are online recharge offers from the house of one of the fastest growing network operators. When such benefits are introduced to your advantage why not grab them. Music is rhythm to the soul, the ultimate stress buster no matter whether you are on the move or anywhere. And if you happen to enjoy unlimited music with minimum online recharge of Rs. 50, you only gain a competitive advantage.

When we speak about extra talk time with online recharge, you will again be spoilt for choices. But then it depends on your budget which denomination you are going to choose. Higher the denomination of your online recharge amount, more will be the extra talk time. So, you get Rs. 90 talk time for Rs. 80, Rs. 200 talk time for Rs. 170, Rs. 410 talk time for Rs. 340, and Rs. 580 talk time for Rs. 470. Online recharge has never been easier, faster, and more convenient. All you need to do is visit the corporate site of the network provider, visit the related page, enter your number at the given space, select recharge value / pack, enter your details, and then confirm and pay. No worries about exhaustion of balance no matter what the time and where you are. Just an internet connection on your mobile or laptop and online payment facility will let the online recharge happen in seconds!

Bothered about the high STD rates? So, you are not able to make long distance calls to your satisfaction because of the high STD rates. But today, local and STD rates are almost the same. All you need to do is choose the most preferred of the tariff plans meant for STD/local circles. For example, if you recharge your mobile with this combo pack again-26 for Rs. 26, you can enjoy all local and STD calls at 1 paise per second for 30 days. Once the validity gets exhausted, you can go for the pack again. If you want to save more on your pocket and if you want the STD rates to be cheaper than you have expected, choose tariff plans meant especially for STD calls. Yes, against a lump sum denomination, you enjoy several minutes of STD calls. For such tariff plans, STD rates may turn as low as 25 paise per minute. Here are examples of few of the tariff plans meant for STD calls, plans that are a rage in the market:

– again-23 for Rs. 23: 55 All India STD minutes

– again-29 for Rs. 29: 165 min STD at 25p/min, after that at 40p/min for 30 days

– again-36 for Rs. 36: All India STD at 30p/min

– again-41 for Rs. 41: 100 min STD for 30 days

– again-53 for Rs. 53: 125 All India STD minutes

– again-123 for Rs. 123: 300 All India STD minutes.

If you need to make more of local calls or international calls frequently, recharge with related tariff plans.
