Movie Review (Synopsis):

Visionary filmmakers Tim Burton and Timur Bekmambetov reinvent the time-honored genre and present the terrifying creatures of the night as they were meant to be experienced -- as fierce, visceral, intense and bloodthirsty. Abraham Lincoln: Vampire Hunter brings to the screen the secret life of our nation's favorite president...as history's greatest hunter of the undead.

More than 1,800 sailors packed into the hangar bay during the special screening. After the show, Walker and the other cast and crew had an autograph session and spared some time to take pictures with the sailors.

Prior to the screening at the USS Abraham Lincoln, "Abraham Lincoln: Vampire Hunter" held similar events at Camp Lemonnier in Djibouti, Africa for almost 700 U.S. troops, as well as at NSA Bahrain for a packed house of military personnel.

In "Abraham Lincoln: Vampire Hunter", Abe is not only described as an iconic politician, but also as a man who dedicates his life to destroy the vampires with his trusty axe after his mother was killed by those vampires. Fox will release the twisted history movie in the U.S. on June.

Train rides provided important benchmarks to Abraham Lincoln's political career. First, during his election campaign in 1861. Later, on the 1,654-mile funeral tour after his 1865 assassination. But according to Abraham Lincoln: Vampire Hunter, the 16th president (Benjamin Walker) defined his legacy by a decidedly shorter ride on the rails.

Adaptation of Seth Grahame-Smith's novel of the same name reimagining Lincoln as an axe-throwing, highly trained vampire assassin, promising to give new context to real historical events such as the Civil War and Lincoln's ascension to the White House. It begins with his mother's murder when he was still a young boy and his vow of revenge.

o move together with the introduction, Burton offered the gallery and its visitors a very first glimpse at the summer film's movie trailer, pictures, and also behind-the-scenes events until the movie starts on June 22, 2012. Actor Benjamin Walker, who acts as the 16th President, movie director Timur Bekmambetov, co-film writer Seth Grahame-Smith (writer of the story), and also developer Jim Lemley all created a demonstration.

A red-band movie trailer for Abraham Lincoln: Vampire Hunter strike the internet sites this day, providing interested followers their finest appearance still at this approaching visible banquet for the eyes. Considering the unfavorable response at cinemas throughout the initial trailer, it is really going to be exciting to find out how this particular one deals.

Visionary filmmakers Tim Burton and Timur Bekmambetov reinvent the time-honored genre and present the terrifying creatures of the night as they were meant to be experienced - as fierce, visceral, intense and bloodthirsty "Abraham Lincoln: Vampire Hunter" brings to the screen the secret life of our nation's favorite president...as history's greatest hunter of the undead.

Based on the book Abraham Lincoln: Vampire Hunter from Pride and Prejudice and Zombies author Seth Grahame-Smith and produced by Tim Burton, the film re-imagines that Lincoln's mother and grandfather were killed by a vampire and that the president's resolve to end slavery was due in part to the fact that vampires were involved with the slave trade. Playing Lincoln is newcomer Benjamin Walker and he stars alongside Rufus Sewell, Anthony Mackie, Dominic Cooper, and Mary Elizabeth Winstead.

While on set we got to interview some of the cast, the filmmakers, and I walked away thinking the film could be really cool. Hit the jump for a list of things to know about the film and my video blog recap.
