Kris Clijsters in Thailand Short Film Festival - 9filmfest

We are very excited to have the winning director of Man with a Video Camera, here in Thailand shooting more scenes following Man with a Video Camera! The Director Kris Clijsters (Belgium) won Best Cinematography at this year's FilmFest.

Kris has visited Thailand many times over the years and has fallen in love with its charm and beauty. Kris has a gift with video camera and editing to make the remarkable Man with a Video Camera.

Kris shoots angles and feelings we sometimes normally don't see. Kris is touring throughout, shooting and collecting more shots for an interactive video installation he dreams of making. It is so impressive to meet and talk with Kris, feeling his deep felt desire to capture images and impressions of Thailand.

Kris has visited Thailand many times over the years and has fallen in love with its charm and beauty. Kris has a gift with video camera and editing to make the remarkable Man with a Video Camera.

AIS Presents Amazing Thailand 9FilmFest invites filmmakers, student filmmakers and amateurs to create and before April 23 submit an original short film that could launch the career of a new film maker.
