Article published on April 5th 2012 | [Music](#)

Every woman loves weekends and holidays by the sea, lying on the beach and soaking in the sun with the invigorating breeze from the sea. This can be made even more enjoyable with a perfectly fitting bathing suit. L Space swimwear can definitely cater to woman's needs by providing one of the best fitting bathing suits on the market. Envisaged and designed by the lifelong beach life enthusiast Monica Wise, these are bikinis and one-pieces that in every way exude a blissful time by the beach and equally well by the poolside. Started with a goal to create sleek, cutting-edge bathing suits that celebrate a womanâ€™s figure, it is really no surprise that the L Space brand has a great following of fans including celebrities.

The L Space line of swimwear is made even more appealing by the fact that they inspire confidence in women thanks to the featured design details which allow mixing and matching for different body styles plus the use of color and print combinations that generate a unique look when differently mixed. The L Space swimwear variety is also inspired by the ever-pleasant Florida weather and its renowned coastal scenes and thus you can be assured that diverse effects and details will always be captured in these swimsuits.

As diverse as womenâ€™s body shapes are so is the huge variety that this brand offers. For example, L Space swimwear has 22 new styles for the 2012 season some of which include the Glam it Up, Audrey Halters, Sunkissed Bandeaux, Fancy Free, Foxy Tab, Bella Twist halters, and so forth. Repeatedly accredited as being the best fitting swimsuits, this brand boasts amazing fits that will blow you away with their vibrant colors. You can trust L Space swimsuits to provide you with fantastic full coverage bottoms and fringed bandeaus to address the needs of different body shapes and skin tones, plus diverse tastes and preferences including sexy, sizzling hot, boyish and innocent cute.

L Space swimwear also gives great options for instances where you do not desire to get into the water and even greater flexibility to allow you play in the sand all afternoon long. The L Space brand has attracted celebrity fans such as Gwen Stefani, Cameron Diaz and Lauren Conrad, as well as a host of renowned surf athletes and enthusiasts. It has also been the recipient of many awards such as the Surf Industry Manufacturing Awards (SIMA) for four consecutive occasions and it also scooped the first Mercedes Benz Presents Designer of the Year Award in 2010. These are definitely great accolades which speak volumes for themselves and as such you can trust that this is a brand worth spending your hard-earned cash on.
