Article published on August 22nd 2012 | [Music](#)

For more experienced players and saxophonists who have just began, Peterborough Music actually offer a great choice of alto saxophone.

Shop for great instruments from some of the most well known brands such as Trevor James, Artemis and Earlham. You can also be sure that their alto saxophone range includes excellent instruments which are designed in different levels and budgets so that anyone can have it. The range from Trevor James is renowned when it comes in producing excellent mid range brass instruments. They also continued to develop the brand from flute repairs as well as servicing in the year 1979, wherein the company has developed, and they are now producing great quality pieces in the market.

For tough rock bass lines or even mellow jazz, their bass guitar selection is actually packed with variety as well as quality. Peterborough music has a great collection of great brands such as ESP Ltd, Fender, Rickenbacker and Ibanez. While maintaining the richness and the fullness of tone for basslines that require subtlety and nuance, Hofner semi acoustic basses also deliver this in spades. Other than that, they're also able to handle a life on the stage in a perfect way in order to make sure that you will have a very good performance.

Enjoy the richness, tones as well as its added contain provided by the center blok for all contemporary Hofner semi-acoustic instruments.

On the other hand, we all know that the driving force when it comes to the sound of your band, which is the engine room that will surely gives everything the important push as well as timing that every member of the band needs, is the drum kit. At Peterborough Music, you will find acoustic drum kits and electronic drum kits here, as well as accessories and percussion instruments. You will also find a Ddrum drum kit that is suited to you from their broad and affordable range.

For young drummers who have just getting started, this brand actually produced a junior kit drum that is made for children aged between 2 and 8 years old, so that they can also play drum even though they are just kids.

Moreover, whether they prefer to play pop, rock'n'roll shredding metal or even jazz, you can still be sure that their great instruments from some of the well known guitar makers are always available from Peterborough Music. They have actually an excellent range of electric guitars from brands such as Ibanez, Jackson, Fender and Squier, and more. For those intermediate players, beginners and beyond, you can also find an amazing collection right there. So come and take a look at their brilliant instruments today!
