Qualities of a good wedding DJ by [Daryl Ledyard](#)

Article published on December 21st 2011 | [Music](#)

Most people prefer to choose wedding DJ for their wedding rather than live band. If you aim to become a wedding DJ certainly it is good profession and you can achieve good success and fulfill your dreams by becoming a good wedding DJ. To become a good wedding DJ there are certain qualities which you may possess along with sweet voice. No doubt that to become a DJ you should have a lively personality but there are many other factors and qualities which you need to possess to cross the limits of the sky.

Make yourself professional; keep a register or a diary along with to record phone calls of your clients. Check your mails regularly to answer queries of people in time. A professional wedding DJ always remains eager to talk to his clients without any hesitation to answer their queries. Prepare yourself for any interview. Prepare yourself to answer all questions asked by clients.

Paste your photographs in proper dress on picture board in front of your office so that people who may come to your office to hire you are pleased to see you in proper dress while giving your performance. Keep your things ready before a client asks you. Keep a handful of CD's of your previous work to show it to your clients so that they can view your ability. You should aware about the tastes of different people and should have an ability to judge their needs and requirements.

Make a list of all tracks that you can play on wedding. People prefer to choose an experienced entertainer for their wedding. You should be competent enough to present something different from usual party entertainers so that people should select you without any hesitation. If you have an ability to attract people by giving best performance surely people will feel happy to select you though you may not have a good experience.

Keep latest equipment in good working condition so that you do not face any difficulty in giving performance. Keep a separate set of equipment in case any emergency arise. These are important points to attract people and give an impression that you are serious about your work.

Do not forget to prepare a contract form where you mention all your terms and conditions. It gives a professional look to your work as people remain cautious about your role and duties that you will play in their wedding.

It is your skill and dedication towards your work that makes you successful in any field. Thus, a good wedding DJ should be hardworking, punctual, and polite and these qualities are the steps of ladder to achieve success.
