Darjeeling is a small city in West Bengal, India. Darjeeling is formed by just a cluster of villages that was administered intermittently by Nepal and Sikkim and till date its influences are clearly visible in most of its tourist attractions sites. Darjeeling is the first established hill station by the British and later it became one of the most attractive hill destinations of India. The Darjeeling Himalayan Railway, UNESCO World Heritage Site and its Darjeeling tea are world famous tourist attraction of Darjeeling.

Darjeeling is one of the most charming hill stations of north east India which is formed by diverse culture amidst the vibrant diverse attraction of the hills. This particular destination came to be well known to the world only after the British had made it the summer capital of its colony. Later tourist and other holiday makers started visiting it and became one of the most popular hill resorts of India. Today with this particular destination coupled with tourism services and facilities, it has become the hub of international tourist worldwide.

Kanchenjunga

It is the third highest mountain in the world standing at a great altitude of 8586 m is found Darjeeling. Other first two that is the famous Mount Everest and K2 is also located in this city. From Kanchenjunga almost all the peaks of Darjeeling can be seen and so it has become a popular tourist hunted spot which is now reserved mainly for tourist purpose to capture the beautiful sceneries of the snow capped peaks and also eye witness the highest peak in the world. In reality, rock and ice avalanches more often thunder this ostensibly serene mount. So one must be alert, careful and seek for an indirect route, probable by finding any possible place for camping first and attempt for the summit. Kanchenjunga trip is one of the most thrilling and delightful trip that will always imprint in your memory for life time.

Tiger Hill

This tiger hill is also a popular site hunted by tourist to capture the beautiful and impressive spectacular view of the mountain peaks and sceneries of Darjeeling. But it is not exactly located in Darjeeling, driving from Darjeeling just about 11 km is the famous tiger hill with an altitude of 2555 meters above the sea level. The dawn view of Kanchenjunga is awesome from this spot. On a clear day this Tiger Hill also gives a wonderful view opportunity of the spectacular arrays of peaks like Mount Everest and other highest peaks of the world. Thus Darjeeling tourism is gaining the attention and fame of tourist for all this popular hills found in it.

If you are taking trip to Darjeeling don't ever forget to experience the world heritage site recorded excitement of Toy train ride. A journey with such awesome toy train can delight your trip and cherish it for life time experience.

Darjeeling is simply incredible which can be considered as the queen of the hills of India. Take a trip with north east tour packages and explore the in and around wonders lying beyond this Darjeeling for a wonderful experience.
