Article published on December 12th 2011 | [Outdoors](#)

The beauty of nature is unbeatable. Nature has gifted many places with astonishing beauty and Kerala is one such place. Kerala is famous for its wonderful beaches and lakes. The lush greenery of Kerala has made it an ultimate tourist destination. Many tourists come to see the green beaches and lakes of the Kerala. There is a number of Hotels in Kerala, which helps tourists by offering them accommodation. Every year the tourism department and the hotel industry of Kerala earn a good amount of revenue from the tourists.

Kerala welcome the mixed variety of tourists, which includes Indians and foreigners. The culture and nature of Kerala attracts many tourists. Moreover, the quality services and facilities attract many tourists. The Hotels in Kerala offers the world-famous body massage to the guests. The spa and massage parlors of the hotels offers the quality services. The Ayurvedic body massage with different Ayurvedic oils not only relaxes the body but also soothes the skin of the body. The attendant at massage parlor uses different techniques and methods which gives an out-of-world experience. The various special cuisines served at the restaurants of hotels makes the trip of Kerala an unforgettable memory.

The bars at the Kerala hotels serve the wines of all types and the cocktail made with coconut milk gives an ultimate pleasure to the guests. Kerala is also famous for its coconut trees and restaurants of hotels offers special drinks made with coconut milk. Kerala hotels also provide the facility of online booking. One can use the online website of the hotel to book a room or a suite. The online booking facility excludes the chances non-availability of rooms in the desired hotel. Not only this, the tourists can also make the online payment for the booking to guarantee the booking. Many hotels accept the online payment for the booking.

The hotels also offer special honeymoon packages, which includes a tour of famous tourist places of Kerala and special honeymoon suite for the couple. Many hotel offers hut restaurants to dine which gives an unremarkable memory. These restaurants offer pure vegetarian cuisines as well as non-vegetarian cuisines to the guests. Some cuisines are made with the coconut oil gives an ultimate taste. Even the minor services of bell boy and house keepers are excellent, which provides a high level of comfort zone. The hygiene at the hotels is specially maintained to provide the complete comfort to the guests.
