Make My Trip- a renowned name when it comes to online travel bookings. Make My Trip has years of experience in making online travel bookings for its customers. This online travel portal was among the first to arrive and offer travel related services online. Make My Trip has wide array of services which include flight bookings, online reservation of hotels, bus tickets, railway tickets, car rentals etc. Make My Trip also provides services for corporate by arranging incentive tours, conference and seminars etc. Owing to bulk volume in sales, it also has bargaining chip which helps Make My Trip negotiate better deals with hotels; resorts etc and get the best rates. This allows Make My Trip to pass the cost benefit to customers.

Make My Trip has a very good comparison feature which let you compare flight fare for both domestic and international flight.

Comparing Domestic Flights:

• Choose domestic flights on the flights tab

• Fill in the travel particulars like source location (from where you are travelling), destination location (the place where you want to go), travel dates, number of people including adults and children, air carrier class (economy, business etc)

• The search results will be shown. Typically, all the major airline carriers are shown with their quotes. You can check details like flight duration, stops if any, refund policy etc.

• For domestic flights, airline carriers that are generally included are Air India, Spice jet, Jet Airways, Jet Konnect, Kingfisher, Indigo etc.

• You can choose among any of them and click on book online

Comparing International Flights:

• Choose international flights on the flights tab

• Fill in the travel particulars like source location (from where you are travelling), destination location (the place where you want to go), travel dates, number of people including adults and children, air carrier class (economy, business etc)

• A list of airline carriers will be displayed with their ticket price. You can see more details as well like flight duration, departure and arrival time, whether the flight is direct or connecting, refund policy in case of cancellation or change in dates

• Once satisfied, you can choose the flight and click on book online

While searching flights, you can also set different parameters such as price range, airline carrier etc to refine your search. The tickets will be delivered to the chosen email address in short span of time.
