All the hotels in Pune provide the facilities that make the tourists feel at home. Pune is a city which has an appeal for the tourists and many tourists come to visit the place. All of the tourists search for accommodations that will fit in the category of good and non expensive accommodations. The hotels in Pune vary in range and also from location to location. The hotels are taken according to the considerations that the tourists have.

### Precautions

Few of the precautions while booking a room in the hotel are that the room and the hotel's reputation should be checked thoroughly before giving any payments. Few of the hotels in Pune are not considered as reputable ones and staying over there should be avoided. The hotels vary in range and people who are booking the room in hotel should consider the services and the facilities that they are providing. The entire five stars hotel provide the restaurant, gym, spas for the tourists. While the two stars hotel do not provide such facilities for the travellers. Whichever hotel is being booked, the hotels in Pune are known for their services and hospitality. This is an added advantage to the travellers as whatever and whichever thing is needed by the tourists, it is provided to them by the hotel staff. The policies of the hotels in Pune are not similar. Every hotel has its own policy. While most of the hotels in Pune follow a similar policy for departure but there are few hotels that have different timing for leaving and this can be read in their policies before booking.

### Activities in hotels

Nowadays the trend that has been setting is that the hotels are not only places where one could make his or her stay but it is a place where different clubs operate and different types of activities are held for the users. There are bonfires in the evening and night clubs at night. In the morning, the hotel organizes trips to take the view of the locations in Pune. All these activities have increased the interest of people in staying in the hotels instead of inns or dharamshalas. The hotels in Pune have facilities that range from 24 hour room service to front desk services at all time. The hotels in Pune have decorations and designing that also varies a great deal and few of the hotels will give the tourist the feel of the classical era and few will bring the people back in the beautiful modern world through its designing.
