Dubai Real Estate and it Extraordinary constructions by [Daniel McCain](#)

Article published on January 25th 2012 | [Real Estate](#)

The real estate and property market Dubai has been progressing quiet well in recent years mainly because the economy is well back on its track and is performing steadily. It is due to this performance of the economy that Dubai in the United Arab Emirates has become a business hub for whole Middle Eastern region. The tourism industry of Dubai has also been performing very well and has been attracting tourists and visitors from all over the world to visit Dubai which has created a shortage of residential real estate in Dubai. Performing economy has also been inviting immigrants and skilled workers from world over to work in Dubai. All this has greatly increased the demand of real estate properties in Dubai. This enormous growth in demand attracted many local and foreign investors to invest in the real estate and property market Dubai. A number of new commercial and residential project were completed to cater the growing demand of real estate properties in Dubai and investors were able to make good profits on their investment in the real estate market of Dubai. This attracted more investments and resulted in the construction of some of the most spectacular unique and massive construction projects like The Palm, The World, Dubai Marina, Arabian Ranches, Downtown Dubai, Business Bay, Dubai Sports City, Dubai Festival City and many more.

People coming to Dubai are usually on a short trip to Dubai either for work, business, education, vacation, shopping, or some sporting event and do not feel the need to buy a property, although they would certainly love to enjoy the luxuries, comfort, and class of villa Palm Dubai on rent. This is becoming one of the main reasons why Dubai villas for rent and apartments for rent Dubai are so high in demand. Also the legal process for acquiring a rental property has been made very easy by the government which makes it very convenient for both the property owner as well as the tenant. These residential and commercial rental properties are available in every part of Dubai in almost every known projects but it is always recommended to hire a real estate agent for any sales, purchase, or renting activity as these professionals are well aware of the legal policies and procedures and can easily guide you through the whole process.

Most of the people coming to Dubai on vacations are tired of the crowdedness of the daily routine life and this is why instead of staying in a hotel they prefer acquiring some lavishly designed and decorated, comfortable and luxury Dubai villas for rent on some pleasant location where they can enjoy their vacations in a peaceful manner. Similarly people on work visa for one, two, ore three year restriction will not prefer to stay in a hotel for that period of time and buying a real estate property is not suitable either which is why preferably look for flats or apartments to rent Dubai for their temporary stay in Dubai as property rental are also very reasonable. This is the main reason for increase in the demand of rental real estate properties in Dubai.
