Article published on June 2nd 2012 | [Real Estate](#)

Red Brick Brizo Residency is a latest residential apartments in the environs of Mumbai city. The project is designed by the Red Brick group. The group is working with a vision to be in the forefront of Innovation in the Leasing & Construction business by creating futuristic landmarks that positively transform our customers' lives.

Red Brick Brizo Residency has been created to unleash the secret behind a beautiful life. The project is filled with so much creativity that it will have Vastu designs for a more peaceful life. The project has very Singaporean look and there are many chances that you may mistakenly sense it as you are in a apartment in Singapore and leading a super luxury lifestyle. This is being created in a way to be an upbeat property with palm fringed pathways, and sprawling expanses.

Red Brick Brizo Residency is located in Chembur, Mumbai. Chembur is an amazingly cool location to live with an excellent connectivity to the main Mumbai city. Chembur, Mumbai is one of the most convenient suburbs to live in the city. It has both the residential and commercial spaces available. The suburb is well located that's why a lot of people search for a living space in the locality. Chembur is easily connected to the rest of the city through various modes of transportation. There are some standard educational institutions, retail stores, malls, shopping centers, good quality tree inclined roads, restaurant & food corners and much more.

Red Brick Brizo Residency has 1BHK,2BHK and 3BHK apartments with perfect imported designs that make these apartments look like an international paradise. The spacious interiors of these apartments will give you a perfect harmony of life.

Red Brick Brizo Residency has perfect amenities such as Lush green health scaped gardens, Professionally-managed clubhouse facilities, Filter water on tap, Rain-water harvesting system, Water recycling plant, Video door phone, CCTV surveillance, 24 x 7 security and Jacuzzi, Sauna & Steam etc. Your life in Red Brick Brizo Residency will have perfectly lavish.

The foundation of Red Brick was laid 40 years ago with the construction of HIMADRI, one of the first multi-storeyed residential buildings in Ballygunge, Kolkata. The group entered into SRA and Redevelopment projects of Mumbai in 2005 and currently developing in excess of 2.7 million Sq. ft. of area. Today, Red Brick group is providing world-class solutions in construction & leasing with a passion to delight the customers while moving ahead confidently to change the face of future constructions.
