Vaswani Brentwood :Bangalore city by [Prop Tiger](#)

Article published on June 30th 2012 | [Real Estate](#)

Vaswani Brentwood is a mega lifestyle luxurious residential development project of the Vaswani group. Brentwood is an intelligent range of residences that has been designed with excellent concepts of designs. There will be new age technologies that will be simultaneously designed with a blend of nature. There will be four aesthetically designed towers in the project complex that will be standing tall in the locality. In 1992, Vaswani group set out on a corporate journey to offer global-standard residential solutions for the discerning home buyer as well as turnkey solutions for Indian and Multinational clients.

Vaswani Brentwood is situated at the Brookefields, Bangalore. Brookefields is a very well developed locality in the Bangalore city. The residential apartments in the area are the most attracting feature of this growing suburb. But, eventually it has been developed into a commercial and office place. There are a number of residential and commercial developments taking place in the Brookefields locality. With a strong network of roads, retail stores, daily convenient store, malls, shopping centers, complexes, cinemas, restaurants, eye soothing greenery within or in the nearby areas, Brookefields is a well developed place to live in Bangalore city.

Vaswani Brentwood is offering 2BHK, 3BHK apartments. There are a number of inbuilt facilities and amenities being offered in these apartments. These apartments will be equipped with new age technologies to give you an ultra modern touch. A touch of comfort will also be given to the residents of the Vaswani Brentwood. There will be some eco-friendly measures in the project complex with landscaped gardens, boulevards, floral walkways and water bodies offering a fresh new living style.

Vaswani Brentwood will be available with world-class facilities and amenities such as IP door locks accessible via any mobile phone, Fire & gas leakage detection alerts, Motion sensor based lighting, Multi-camera security and surveillance, Wi-fi Digital gaming zone, use with lifestyle amenities, Spa & fully equipped gym, Large terrace party area, Outdoor infinity swimming pool, Pet zone, Water softening plant and much more. Vaswani Group's current projects are in the verticals of Residential, Commercial, Retail and Hospitality spread over Bangalore, Mumbai, Pune and Goa.

Their apartment projects bring together a combination of luxurious high rise apartments, garden flats and penthouses with private terraces, the Villa/townhouse projects combine luxurious villas/townhouses spread over extensive tracts of land with internationally styled amenities and facilities. In fact, it was Vaswani Group who pioneered the concept of "Townhouses" also known as "Row Houses" in Bangalore.
