Carpaholixx is the only website for those who love carp fishing by [Mary Porter](#)

Article published on July 9th 2012 | [Recreation](#)

Whether youâ€™re an avid angler with a wealth of experience casting your rod from shores across the whole of the UK, or indeed are just dipping your toe into a new hobby, then the number one resource that you should bookmark right away is Carpaholixx.

Whether youâ€™re looking to pass the time away and learn more about your carp fishing hobby, or indeed hear stories from like minded individuals about their own exploits carp fishing, discover hidden treasure troves of information about the sport, or if you want to buy carp fishing videos to share with your friends, then Carpaholixx is the resource for you.

The latest issue of carp fishing magazine Carpaholixx features an article with Nigel Sharp. As one of the worldâ€™s finest carp fishing professionals, and a regular contributor to Carpaholixx, Nigel Sharp has written an article in this monthâ€™s Carpaholixx about the joys of carp fishing and his recent big catch.

In addition to the wonderfully informative article from Nigel Sharp this monthâ€™s Carpaholixx magazine also features a wealth of information that every carp fishing professional and amateur alike will surely enjoy.

Jamie Smith, an avid angler and contributor to Carpaholixx carp fishing magazine has recently delivered an exclusive fishing lesson exclusively for Carpaholixx. In this lesson Jamie Smith offers sound advice for all amateur and professional fishermen. This lesson teaches you just how to keep your carp rigs so that they consistently function to the optimal level, advises fishermen, both amateur and professional alike, on the best fishing methods, including just how to free-up headspace so that fisherman can concentrate on finding and catching fish.

Should you like to find out any more information about any aspects of Carpaholixx, from reading the features to watching the selection of carp fishing videos then you need only come and visit us online at: www.carpaholixx.com.
