Summer Outing in Barcelona with Family Members by [Julia Roger](#)

Article published on June 23rd 2012 | [Recreation](#)

To get rid of this scorching heat and enjoy the vacation time, try to spend your weekend in barcelona. However, proper planning is required. Barcelona is a big city with plenty of entertainment options to avail. Without suitable planning, the entire trip may well become a clumsy act. If necessary, then you can plan for the trip through a renowned travel agency. Planning process becomes much easier. Right from journey ticket reservation to hotel booking as well local sightseeing trips, all these are arranged by the travel agency. It releases some additional pressure and the weekend trip can be enjoyed without any unnecessary tension.

Barcelona is the largest metropolitan city within the coast of Mediterranean Sea. It is the second largest city within Spain, just next to Madrid. It is the capital of Catalonia, an autonomous community that lies within the northeastern part of Iberian Peninsula, Spain. Within Europe, Barcelona is considered to be the fourth most visited city, while the first three spots belong to Paris, London, and Rome respectively. In fact Barcelona ranks 16th in terms of world's most popular tourist spots. Every year, over three to four million visit this Catalonian capital for enjoying barcelona weekend trips.

Barcelona is filled with historical landmarks. Yes, around eight spots have been tagged as "World Heritage Site" by UNESCO. The city features for numerous museums, cathedrals, and several other historical and gothic structures. Many green spaces can be observed within this city. There are nearly seventy parks within the city. Some of them have historical importance while others are merely for fun.

This is one of those European cities that enjoy strong and vibrant nightlife. Some of Europe's top-level nightclubs are located within this coastal city. Many food joints serving mouth-watering delicacies from world cuisine are available within different parts of this city. In fact, the beach side cafeterias are quite popular serving Spanish coffee, sandwiches, tapas, and Pizzas. Barcelona weekend will be real fun because there are plenty of options to enjoy during the stay.
