A Prom night is one of the most awaited events for our young high school students. Like every year all the young girls rush from shop to shop, mall to mall to buy the most exclusive dress for their special night. Let us see what is in and whatâ€™s not for their big day.

Thinking of it, in the earlier times, black and white was the most formal standard attire. But today they are considered redundant and common and one definitely wants to enhance their wardrobe with more colorful attires. Let us change our thought and make our lives more fashionable by introducing the classiest form of colors. This year we have on the top of the list, the most extraordinary collection of purple and silver prom dresses. A purple prom dress is in thing this season. Purple catches oneâ€™s eye at any time of the day or night. This will make girls look beautiful, special, sophisticated and unique and perfectly attractive to get the young boys to ogle at the same time. A purple gown covered with sequins and side cuts with a sleek and sexy fit will stand out in the crowd. The nature of purple will add drama, style and sex appeal certain to make heads turn.

For people who are sick of blacks and white and canâ€™t carry bright colors on them, a stylish silver prom dress will just be apt to get crowned as the next prom queen. Every girl has been waiting all the lives for this big event of their life and why not pamper yourself like a princess and invest in this a silver prom dress which is so exquisitely beautiful in its own way. This dress will give a complete celebrity like red carpet look and expose your sensuality. A magnificent piece of neck jewelry will add to the oomph.

With excited young girls celebrating their sweet 16â€™s and making a major transformation of life, glamorous parties are on the top of the list. Likewise the silver and a purple prom dresses offer a sleek, metropolitan style which makes the sweet next door girl into a glamour queen. Completing the look with attractive heels, unique make up and sweet fragrant perfume will be the cherry on the cake.

Attractive silver and purple prom dresses are certainly the ultimate choices. Go grab one to flaunt your updated wardrobe at your evening parties. Be stylish, be trendy.
