Convertible Mittens, Reflective Hats and Neck Warmer Options by [Trailheads](#)

Article published on February 17th 2012 | [Shopping](#)

Running, skiing or a variety of other activities take place on the trails today. Wearing a neck warmer can help you keep your body warmth in. The reflective hats can help others to see you when you are on the trail as well as helping you see them if they are wearing reflective gear as well. Convertible mittens offer a range of protection for the wearer today.

Each person is likely to have a certain style that they like to wear. In truth, some people only wear convertible mittens because someone told them they should. They don't like the feel or the convertible mittens are just uncomfortable to them. You can find a neck warmer or a reflective hat that will fit your needs perfectly today.

Many people today like to run year round. Not only will you need to find a neck warmer that helps keep you warm, but you will also find a selection of reflective hats as well as other things such as convertible mittens that you can wear on your trail run. Options today for the variety of merchandise that can be found to suit your needs are quite extensive.

Reflective hats are a good idea if you are planning to run in the evening or early morning, no matter where you are running. Even trail running can be dangerous during twilight hours and wearing a reflective hat will help others to see you. Convertible mittens are found in a variety of styles today. Buying a neck warmer will offer you many different colors and styles that can help you keep warm your run.

Whether you are looking for just every day convertible mittens or you are seeking reflective hats to help you be more visible, you will find a wide range of choices for your neck warmer needs today. In addition to typical convertible mittens, you can find neck warmer choices for special needs, a hat with an opening for a ponytail or reflective hats that will help others see you in the twilight.

Whatever your needs might be, you will find many different options available from TrailHeads. You can choose to shop at one of their retail dealers or you can buy direct from them.
