Organza Bags and Pouches- Elegant and Eco Friendly by [Julia Roger](#)

Article published on January 23rd 2012 | [Shopping](#)

Organza is thin fabric mostly made from silk. It is light in weight, stiff, durable and eco-friendly. Many qualities of organza are woven worldwide, most of them are coarse but sophisticated and deluxe silk organza is woven mostly in France and Italy. Organza finds its application in making of fashion, clothing, furnishing and everyday accessories. For its smooth feel and puffiness, it is extensively used in making women's lavish party wears, bridal wears and evening wears etc. It is also favorable for making of things for interior decorations like artificial flowers, curtains of various hues and shades. Organza gift bags and pouches are elegant fashionable stuffs.

Be it a festive season like Christmas or new year, a special occasion like our closest one's wedding or birthday or some casual gifts to your dear one, often we have to move to stores for purchasing gifts. However to add some sophistication to your souvenir, it is essential to wrap it up beautifully. Organza gift bags are just the best option that you have for packaging. Organza bags are not only beautiful with stunning textures and creative designs but also useful as they are waterproof and dustproof to protect the inside stuff..

Organza pouches are normally the least expensive pouches available in the market. These come in different colors and design. These are usually semi transparent but not necessarily. Some pouches come with chains for keeping things safely and some have a satin drawstring tie for an elegant look. These can be of various shapes like heart or leaf and even some companies offer to design the pouches and bags with personalized logos. These pouches and bags are ideal to hold jewelry ornaments, party favors, chocolates and much utility stuff. So use organza, be stylish and be green.
