Puzzled over what to wear for the upcoming wedding? by [Rohit Suri](#)

Article published on March 16th 2012 | [Shopping](#)

When it comes to adorning yourself with the best for a wedding or any other special ceremony, we Indians tend to take a lot of time in shopping and ponder over which colour will suit. We try and check out apparel from various fashion designers. Manish Malhotra, Ritu Kumar and Vikram Phadnis are some of the premium designers who design bridal clothing. From various themes to colours, they try to customize according to your taste.

Also, weddings are the time where you meet your relatives, friends and other well wishers. The best option for shopping clothes in India is through online web portals. There are hundreds and millions of website that offer finest of the deals on branded and designer clothing. Also, they offer customization and alteration as one of their complimentary service.

And when the question arises of what to wear for a wedding, you can simply go for online clothes shopping in India. They offer a diverse range of clothing. You just need to buy from a plethora of apparel that are available online. Whether you want a simple yet elegant salwar kameez or a high end classy dress, youâ€™ll get every possible outfit.

Online shopping for clothes is a much convenient way to purchase your favourite designer wear or branded clothes with ample choices.

Letâ€™s see how you can buy yourself a perfect outfit for the special occasion. All you need a bit of understanding your taste of fashion.

First of all you need to know which colour goes around well with you. There are some who look stunning in light colours like blue, yellow and white. And, on the other hand there are people whom darker colours make a perfect suit. So, you need to gauge which colours suit your personality, while boasting a rich and elegant look.

And the second thing is what you want to wear. Will it be traditional or something in western? Both of the categories offer variety of options. If it is a traditional wedding, then something like saree or salwar kameez will be a good option and for men, a sherwani will do the job. But, if you are going for a Catholic wedding, then you can go for western outfit. A dress would be preferable for women and formal attire for the men.

As online shopping for clothes in India has been rising rapidly, you can easily find the perfect match for yourself. So, whether it is a traditional or western wedding, online shopping for clothes will help you in winnowing down the list.
