If you want that royal and regal feel to your event, you'll first want to adorn your chairs with the right kind of chair covers. For a beautiful designed look, and with the right amount of sheen, you cannot go wrong with the Ivy Pattern Ivory Damask Covers. The ivy pattern on the cover exudes the right amount of elegance for your function hall, and adds sophistication to your event.

If you do want your chair covers to have a more fluid feel, you can always go with a very regal Pleated Damask Cover with Bow Chair Cover. The cover fits perfectly over any chair back and ends at the bottom of the chair in a nice flowing skirt.

For the bride and groom, you definitely will not want to ignore the Ruched Lycra Chair Covers. This chair cover is the epitome of royal elegance. The texture and design will leave your guests mesmerized.

## The Details in the Accessories

There are numerous ways to accessorize your chairs when it comes to hosting a regal event. From your tiebacks, to your sashes, to your diamante buckles, each and every piece and fabric texture will add an extra stylishness to your event.

For beautifully fluid and ravishing chair cover accessories, you'll want to check out the Liquid Gold Tiebacks.
