Shopping in Dubai for iPad, Jewelry & Flowers by [Ashley Simmons](#)

Article published on December 18th 2011 | [Shopping](#)

Shopping turns out to be a big charm for those visiting and living in Dubai since Dubai has to offer diversifies shopping opportunities. At one side, you find centuries-old markets selling traditional Arabic items and on the other side, you find modern shopping malls. Import duties are very low for being the open port so the rates are quite attractive and reasonable. Trade is a part of the Arab culture so you can find great variety of different products. So if you going to be settled in Dubai or you are going on vacation, the shopping is going to be the best part of your visit.

There is nothing of top world designer products you cannot find in those air-conditioned and multi-storey emporiums. You get the opportunity to buy iPad UAE to the best items of jewellery in Dubai. There are also restaurants, cafes, theatres and other recreational activities to be found inside these shopping malls and you will witness the best arrangements of flower Dubai. The most prominent mall among them is Bur Juman Center which is centrally located in Bur Dubai. This is a prestigious mall with about 180 stores providing the facility to buy world fashion designer products. There are several leading world class shopping malls to be seen in Deira district like Abu Hail Shopping Centre, The Galleria, Al Mulla Plaza, The Intercontinental Plaza, and Al Ghurair Centre. Bur Dubai attributes the Holiday Centre and Wafi Mall. Dubai shopping also offers fabulous departmental stores and boutiques where you can get the top international brands. There you can also purchase Chinese, Japanese, American items like LCD televisions, mobiles, laptops, and you can also buy iPad UAE. Emirates Mall is considered as the most prestigious mall of the UAE and one visiting Dubai should not miss the opportunity to visit this mall which offers the most exclusive products across the region.

These developed and modern malls are characterized by the facilities to make their customers feel at ease. These modern malls are not all Dubai has got for shopaholics, but Dubai is also an attractive destination for those interested to get into the old traditional Arab markets. For this purpose, one has to visit Dubai's souks. Here you find the traditional products of Arab culture reflecting the historical features of the region. Souks are normally put in order according to the items to be sold. Similar selling items shops are assembled and usually they are titled after the product available in market. There are markets known to be called as Gold Souks where you find the best gold jewelry in Dubai like necklace, pendants, earrings, rings and bracelets. Here you also come across with traditional arrangements of flower Dubai. There are some markets selling dry fruits and nuts. You can find the best Arab aromas in Perfume Souk. Fish souk provides fresh fish from Arabian Sea. There is a long list of these souks selling different kind of items.
