A young girls jewelry isn't the only thing you'll find in girls jewelry boxes. Many of them have other inhabitants with a vibrant life all their own. Let's take a look around and see just who a little girl might meet when she opens up her box.

There are several girls jewelry boxes which also serve as the home of fluttering and chuckling pixies and fairies. It's no longer hard for a human to find her way into fairyland; girls jewelry boxes serve as a passage open to anyone willing to believe. There's nothing like a sprinkle of pixie dust to give one's jewelry that extra sparkle.

Some other popular and well-known residents of girls jewelry boxes are the dancing ballerinas. Exhibiting poise and grace, they dance across and within their boxes, tutus twirling and balanced on their slipper-clad toes. These boxes and their accompanying dancers instill not only an appreciation for organization but for music and the art of dance.

Girls jewelry boxes not only make a girl feel like royalty, they serve as a home to royalty as well. The princess found in girls jewelry boxes reign with a benevolent hand and a whimsical heart, sharing their regal splendor with everyone they meet. Now a girls jewelry collection can be the crown jewels as well.

Animals of many kinds can be found in girls jewelry boxes as well. A whole zoo's worth of exotic creatures, such as elephants, lions and zebras, roam across some boxes and within you might find a monkey with ballerina aspirations of her own. The inhabitants of these boxes and of the next few as well, instill a love of and appreciation for the natural world.

Butterflies are objects of beauty that are as delicate as they are fleeting. With girls jewelry boxes however, a girl can capture and appreciate the glorious patterns of their wings and keep them right alongside her necklaces, rings and bracelets.

If your girl is one that loves flowers of all kinds, there are many girls' jewelry boxes that have the look of miniature gardens. Roses, tulips and other flowers abound in these boxes, which allow a girl to keep her own jewels and baubles alongside those of nature.

One thing's for sure, if you're getting a girls jewelry box for a special child in your life, you aren't getting her an empty box. There is quite a lot to be discovered inside it before she puts one piece of jewelry in.
