Wedding is among the grandest events in one's life. It is not only the union of two persons but of two families and their relatives and friends. Thus this event remains very special for any person throughout his/her life and the moments related to the event are cherished for lifelong. On such a special occasion it is quite obvious that the gifts should also be very special. Therefore selection of wedding gifts should be done in a manner that they become cherishable and treasurable properties for lifetime. You must also keep in mind the relation that you share with the bride and the groom while selecting the gifts for weddings.

Here are some ideas that can be great as gifts for weddings:

Personalized crystal clocks can be great gifts for weddings and can be given in any relation. The clock symbolizes the timeless love that the couple shares. You can also add a personal note to the clock and have the message engraved so that it reminds them of your lovely wishes all throughout.

Personalized silver photo frames make excellent wedding gifts for friends. You can have a special message engraved on the frame and put a lovely picture of the couple in the frame and gift on their wedding. They can later put a wedding picture in it and keep it in their home.

Flowers and champagne are probably the most common wedding gifts but among the most popular ones too. You can have the champagne bottle personalized so that they can be kept as show piece even after the contents are empty. Since wedding is a happy occasion, a champagne bottle can make a great gift. Flowers are great gifts for all occasions and weddings are no different.

If it is the wedding of your brother or sister, you can plan a nice honeymoon package for them or a long vacation package. If money is no constraint, you can book a cruise vacation for the newlyweds. They will be exhilarated with the gift for sure and will probably have the best experience of their lifetime.

Since the newlyweds will start a new family post marriage, it is obvious that they will need many household items for the same. Buy some nice and modern kitchen accessories for them as wedding gifts. They will not only be great looking ones but also high on utility.
