One of the Asia's most talked about country these days is Thailand. It is well-liked and admired by the tourists because of the striking escapades which it proffers to the visitors within the stunning natural surroundings, which are mesmerizing in the true sense.

Whether you are getting ready to stopover the country owing to the serene and calm beaches that the place boasts about or the exquisite elephant treks to far-flung hill tribes; you will without a doubt be content and pleased with your expedition more than you can ever see in your mind's eye! The brilliance of Thailand becomes active beneath the waves due to the outstanding marine life of the place.

Phuket, Thailand's largest island offers a plethora of recreational activities along with charismatic views and landscapes that are surely going to leave you awestruck at the very first spectacle. If you are visiting Phuket then do not fail to notice the grandeur of the world's famous Similan Islands near Phuket. The warm waters at Similan Islands are said to have some of the Asia's most vivid and stunning creatures found under water.

Tourists, who are very enthusiastic and fervent in relation to diving, come to this island with the main aim of diving around the terrific sites in the region of Phuket. Giant granite stones, caves and swim-throughs make an enthralling submarine site which magnetizes an enormous diversity of nautical life. The water visibility that is offered in these islands along with the excellent and astonishing panorama, all add together to the attraction of Thailand. The Similan Islands, in fact, are rated as one of the top 10 dive sites in the whole wide world! No wonder, why the number of visitors to these islands is mounting by leaps and bounds, year after year.

Due to the increase number of visitors to the place, the onboard housing and amenities of the cruises have also become very advanced, that too in a very short span of time. This is the reason that, Similan liveaboards and Phuket liveaboards are no longer basic or customary and these are now bestowed with state of the art facilities like graphic or TV/video facilities, air-conditioned compartments, delectable eatery services and the rest.

So, get into a Phuket liveaboard or if you want to experience the true riches of the Andaman Sea and if you are thinking of enjoying the vista of the Similan Islands, then just take a Similan liveaboard and dive into the marvelous nautical life and have a tremendous diving holiday. Get amazed with the striking colors and corals that are waiting for you at the bottom of the sea.

Hence, all things considered, if you are looking for the idyllic and perfect way to relish a really tremendous vacation that coalesce incredible landscapes and backdrops, then visiting Thailand should definitely be on your cards. Just explore the diverse number of options that are available to you at the breathtaking islands of Thailand and live your dream of an implausible and tranquil retreat that is amazing in all aspects!
