"Bad Girls Club― is an American reality television series. It is an episodic show. It revolves around th naughty women. Every time, seven bad and ill-behaved participate in the reality show. They are supposed to live together in a bid house having all the facilities but they have to follow some rules as well. Its central aim is to change the noxious attitude of the girls and make their life worth. All the girls are far away from perfection in anything but at the end of the show; they gain something and live better lives. The series is created by Marry-Ellis Bunim and Jonathan Murray. The executive producers are Gil Goldschein, Glenn Carranos and Jonathan Murray.

The theme song for the first season is †Love Me or Hate Me†by Lady Sovereign. For the next three seasons, the song played in the opening of the show is †Bad Gilrs†by Tokyo Diiva. For the next seasons, the remix of the song is played. It is debuted in year 2006 for the first time on Oxygen channel. It is still running on the same channel. Eight seasons have been completed consisting of 130 episodes. Episodes included in first two seasons are of 30 minutes. After that, all the episodes are of 60 minutes. It is televised in five countries-United states, Netherlands, Australia, Hungary and Sweden.

It gets negative reviews by the critics. According to them, it will create violence among the viewers. But the audience like to watch Bad Girls Club. The format appeals attraction of the viewers and gains popularity. The viewers eagerly wait for the broadcast of the show. They have the opportunity to watch the show online. As we know, internet has become the best friend of the people these days. They can download free Bad Girls Club episodes via internet anytime. Various websites are providing the facility of free browsing. The rules keep on changing from the very first season to present.

Initially, the age limit is from 21 to 31 but in season 2 it changes from 21 to 27. The contestants are not allowed to use their nicknames till the third season. In season two, girls are given knowledge about the jobs and career. The location for the first three and sixth seasons is in Los Angeles. The fifth, seventh, eighth and ninth take place in Miami, New Orleans, Las Vegas and Cabo San Lucas respectively. The third premiere gains highest ratings. It is popularised episode by episode. Also, there are many problems with come of the contestants. They are directly eliminated from the programme because of the troubles they created.

The girls after the program can be seen with complete change in their behavior. They have to spend three months and have to confront many tasks. The show proves good for many of the ladies. It is filled with hilarious and amazing scenes that attract the viewers. They watch it without missing any of the episodes. They can watch Bad Girls Club online anytime they want to in order to relive the experience.
