Ben 10: Ultimate Alien is an American animated television series that is based on action and adventure. It is the creation of the "Man of action" which is the Cartoon Network's Ben 10 franchise. The team comprises of Duncan Rouleau, Joe Casey, Joe Kelly, and Steven T. Seagle. It is the production of Cartoon Network Studios. Fans can now watch Ben 10: Ultimate Alien online for FREE!!! It was premiered after the Ben 10: Alien Force series in March, 2006.

It was also widely broadcasted in the countries like United States, United Kingdom and later in Latin America in October, 2010. During the course of the series, it was declared that a new version of computer animated film would be produced named as Ben 10: Destroy All Aliens, taking the base from the original series. The said series was broadcasted on 24th March, 2012.

The series was telecasted on Teletoon in Canada on September 12, 2010. Finally the series was put to an end on March 31 as Dwayne McDuffie died during the course of its production. The series commenced after a year from the finish of the previous series Ben 10: Alien Force. The device of the hero i.e. Omnitrix has been effaced out and his powers to encounter the enemies has been eradicated. Now he has to get the training of the secrets of the new Ultimatrix. It is the newer and improve version of the former gadget Omnitrix.

Such learning of the new version would provide him the complete access to his original powers as well as the power to transform into even stronger alien versions known as "ultimate forms". However a 10 year old girl, Jimmy Jones learns the secret of the protagonist's Ultimatrix. She discloses this secret in the entire globe and the boy becomes a celeb overnight. He becomes an idol hero for the children but the adults criticize his powers. However few of his close ones like Gwen, Kevin, Julie, and Grandpa Max are with him and help him motivating throughout. The hero continues his fights and save the galaxy from the evil powers.

He tries to free the five aliens from the custody of Osmosian villain, Aggregor. The five aliens are Bivalvan, Galapagus, P'andor, Andreas, and Ra'ad. After kidnapping these five aliens, Aggregor commences his search for the Map of Infinity to acquire the endless powers of Celestialsapiens. Kevin again encounters Ben and imbibes the powers from the Ultimatrix. He goes out of control after consuming such a tremendous amount of energy. Later he is again turned to normal state and all the sinister actions of Aggregor are reversed. Thus, one can imagine how well the show holds a viewer's interest intact.

With so much happening in the lives of these characters one can hardly miss the action and mystery.
