Booking of Flight tickets by [Edna Purviance](#)

Article published on December 3rd 2011 | [Travel](#)

If you are planning to travel over land there are three main ways of doing so, a flight, train ride or driving yourself. Out of these three ways one needs to decide how you want to go based on your budget, time and quality of travel you prefer. The fastest way to travel would be by airplane. A flight cab is easier to schedule as there are hundreds of flights leaving every half an hour in every direction from and to almost every airport in the world. With so many advantages flight tickets are ought to price you high, but your aim is to get hold of cheap flight tickets as per your budget and interest too. The cheap flight tickets have opened up lots of possibilities to travel by air for you and your family.

With the advent of aviation industry there is lot of competition among all the airlines to attract more and more number of passengers by offering them cheap flight tickets to any part of India or international destinations. There are even some quick tips that can be adopted for getting cheap flight tickets like try booking your tickets a month advance or be flexible with the travelling days and dates. These two factors will certainly introduce you to some great cheap airline deals. There are even some online travel portals who offer flight tickets in much discounted prices as they take bulk tickets from the airlines and hence can negotiate with them in a better manner. They even offer flat money offs on domestic flights when taken along with a return booking. These online travel companies also offer very good cash back offer or discounted hotels, best deals of holidays, bus tickets and even travel insurance these days and because they offer multiple travel deals, travel products to esteemed customers, it is possible to offer cheap rates.
