Car and Taxi Hire Services at Heathrow Airport by [Jocasta Marvin](#)

Article published on July 25th 2012 | [Travel](#)

London Heathrow airport lies in the London Borough of Hillingdon. It is the major airport serving the huge city of London with traffic of more or less 69 million passengers each year making it UK's busiest airport of all. The airport is not only the busiest in UK but is also world number 4 in terms of total passenger traffic in a year. It has two runways made out of Grooved Asphalt and both are more than 12,000 feet long. According to a recent survey conducted in 2011, the Heathrow Airport is third busiest airport in entire Europe in terms of aircraft movements per hour after Paris-Charles de Gaulle Airport and Frankfurt Airport. Car hire at Heathrow airport is an easy and simple procedure for all. Due to the availability of car hire desks at the airport, Heathrow provides great convenience to the people traveling through it. You can also opt for online car hire to Heathrow airport from anywhere in London without having to look for a car hire company locally. All you need is to find a reputed online airport car hire company and make an online reservation with them according to your flight schedule.

The airport has superior class facilities meeting the needs of all kinds of passengers such as families with children who require baby changing facilities, special washrooms with amenities for children, kids' play area in waiting lounge before they can finally catch a flight and eatables. For the convenience of corporate class travelers, the airport has special VIP rooms where they get dedicated services and priority check-ins in order to avoid any kind of hassle of getting into a queue and waiting for their turn for check-in procedure. The corporate customers don't even need to get their documents or passports checked for custom clearance as all this procedure is done by specially appointed staff serving them at the airport. For the ease of disabled travelers, there are special accessibility features. In escalators, washrooms and waiting lounges, there are special options for disabled people which avoids any kind of hassle and inconvenience for them during their travels to and from London. Taxi hire from Heathrow airport is also available for disabled travelers with wheelchair accessible vehicles.

If you are planning to travel to and from London Heathrow airport, you do not need to worry about the hassle of taxi hire or just about any kind of transportation as the airport promises all kinds of transportation facilities with a great competition of UK's best transport firms offering their dedicated services. CrossCab is among the oldest and best known taxi hire companies of United Kingdom. They have been serving their customers by providing them taxi hire from and taxi hire to Heathrow airport at cost effective rates. Their virtual fleet of vehicles includes thousands of real estate saloons and MPVs (people carriers) which are driven by professionally trained and licensed drivers. They provide car and taxi hire services through all modes which include booking via call, website or mobile application/site.
