Chef Lisa Dahl set up her online store last year because people were interested in learning more about Lisa's secret favorites and ingredients that make her a shining star in Sedona Italian food dining. At her Living Dahl store you'll find a wide array of fantastic food-related products that complement the beauty and romance of Lisa's cooking.

One of the great items you'll find at her site is "The Elixir of Life: Finding Love and Joy in the Passionate Pursuit of Food" Lisa's award-winning book journey in Tuscany learning the art and passion of Italian- and Mediterranean-influenced cuisine. "The Elixir of Life" won the top Gold Medal prize in the Cookbook category at the 2011 IPPY (Independent book Publishers) Awards.

You'll also find the exquisite Olive Oil straight from Tuscany that helped flavor many of Lisa's dishes in the book and at her well-known restaurants in Sedona, Arizona "Dahl & DiLuca and Cucina Rustica. In preparing her tantalizing entrees, Lisa says that using a base of good olive oil like Tuscan extra virgin organic olive oil is one of the keys to her success. She uses that oil on most everything, so here's your chance to try super Tuscan extra virgin olive oil.

These items are available and definitely for either the aspiring foodie inside you or for a friend or family member impressed with top quality recipes and a passion for food.

When you enjoy the amazing Italian dinners at Dahl & DiLuca and Cucina Rustica in Sedona, you're enjoying more than just the tasty morsels in your mouth. You are enjoying the entire experience of passionate cooking, an inspired menu of healthy delicious dinners options and a wonderful soundtrack of gorgeous music to heighten your overall dining experience.

"The Elixir of Life" Music CD is a complete collection of nine stunning original tracks of music that brings the best of Chef Lisa Dahl's cooking to life in your own home. These instrumental tracks take on a life of their own, as you become inspired to cook like Lisa in your own kitchen.

"We loved working on these instrumental compositions," said Lisa, who collaborated on the organic musical process with Bill Barns, Brian David, Johnathan Livingston & Louie Levinson. "We knew in the recording process that these special tracks would play an inspiring role in helping others find their passion in food."

The collaboration went far beyond playing and recording together. Bill, Brian and Johnathan recorded together and each wrote songs for the collaboration. The songs "Oak Creek Cruise" and "Olivo" were written by Louie, and he played all instruments for each song.

The arrangements and dynamics of the songs that make up "The Elixir of Life" CD are sensual and earthy. These tracks help set the perfect mood while you are cooking, entertaining or taking in a relaxing experience with a friend or lover.

All of the songs are used in the DVD located in the back of each copy of the award-winning cookbook The Elixir of Life. It is our pleasure to offer you the Elixir of Music. Click here to get your own copy of the musical soundtrack and the award-winning cookbook "The Elixir of Life".

"I hope everyone gets to experience the joy of these songs," says Lisa Dahl. "If the music moves in the same way it moved me, then I'm sure your cooking will be inspired and terrific as well."
