Whether one is going for business or pleasure, one is guaranteed to have a great stay in Tel Aviv. This city, which sits on the Israeli Mediterranean coastline, is buzzing with energy, excitement, and adventure. Tel Aviv is an ethnically diverse and culturally rich city that was named one of the three hottest cities in 2011 by Lonely Planet. It is well known for its beaches, bars, cafes, parks, shopping and nightlife. Tel Aviv is also the economic center of Israel and is home to some of the largest and most successful companies in the country.

Accommodation in Tel Aviv is what one would expect in such a thriving and cosmopolitan city. Hotels in Tel Aviv are plush, stylish, and attractive. One is able to reach the great shopping and commercial centers by day and the entertainment and dining areas by night. Hotels in Tel Aviv also offer the best service in the region. They include first-class amenities and offer their own venues for recreation and enjoyment.

In many of the major cities around the world one never knows whether one's hotel is in or near an area of significance. Tel Aviv is unique in that if one stays at a major hotel in the city one is likely to be quite close to an area of interest or business in the city. Because the city is such a hub for commerce and industry it hosts some of the top hotels in the world, and they provide a quality of service that is second to none. Tel Aviv hotels are designed to cater to everyone from the business traveler to the holiday maker. Regardless of one's purpose in the city, one's daily stay in the hotel will be pleasant and comfortable.

A stay in Tel Aviv is like a sojourn to paradise. One gets all of the advantages of a coastal city, a global city, and a major cultural center. There is the Tel Aviv Performing Arts Center, which is home to the Israeli Opera; there is also the Frederic R. Mann Auditorium, which is the city's largest theater; and there is the Habima Theater, which has recently been remodeled and is now open to the public. Tel Aviv often stages rock and pop concerts in its many parks, and it hosts film and jazz festivals in the spring and summer.

Tel Aviv is also home to some of the best cuisine in the region. In addition to the local food, one can find specialty cuisines from around the world. The city has over a hundred sushi restaurants, and some of the best Italian food outside of Italy. Fashion is also important in Tel Aviv. Not only are there many luxurious boutiques and clothing outlets, but the city is home to important designers, such as the swimwear company Gottex.

Fortunately, the hotels in Tel Aviv can be viewed and their major features described on the worldwide web. Many Tel Aviv hotels also offer persons the option of making booking arrangements online. A first-class stay in a Tel Aviv hotel is just a click away.
