Experience an Exciting Tour of Ranthambore Safari by [Rahul Ranjan](#)

Article published on December 29th 2011 | [Travel](#)

Ranthambore National park is located in Rajasthan in Sawai Madhopur district. It is said to be one of the finest place in enjoying the company of the various animals especially Bengal Tiger. Ranthambore is known as one of the best places for spotting majestic Bengal Tiger, though this national park is also a home for various other animals like sloth bear, leopard, crocodile, sambar, owl, wild boar etc.

This park is known to be a dream of photographers as well as wild life enthusiast. Here in this national park, tourists can enjoy various safaris for exploring the park and there are various resorts in order to accommodate tourists from various parts of the world. Tourists can visit this park from October to May and rest of the period the park remains closed for the tourists. It is one of the best places for capturing different poses of tiger as here you can get the opportunity to see the tiger frequently. Safari in Ranthambore is the best way to explore this national park.

If you are making plan to explore Ranthambore then it is advisable to take the help of Ranthambore Tour Packages. There are various tour packages which helps you to explore the national park in a perfect way. There are many Ranthambore tour packages which offer an exclusive trip of adventure safaris. With the help of safari in Ranthambore you can easily spot the tigers in morning or in the afternoon along with lunch, dinner and traditional show of Rajasthani Programs.

There are safari tours in Ranthambore which offers you the opportunity to spot tigers along with the trip of Ranthambore fort which is almost 1000 years old. You have to explore Ranthambore National Park with the help of safaris in Ranthambore only as you cannot enter in Ranthambore along with your personal vehicles and cars. Canter and Jeep safaris for the tourists are offered by the authorities of Ranthambore to explore the park in a nice way. Safari trip is made twice for the tourists and it is for the duration of 3 hours. The journey through the safari can be done either in the open sided jeeps or canters (open sided mini trucks). You can book your safari even 30 days in advance. Each of the jeep safaris can accommodate maximum of five passengers. At a time only six jeeps can enter Ranthambore. You can also explore Ranthambore with the help of canter safaris and booking for it can be made a day before going.
