Planning for a vacation? Wow! But did you decide where to head to? India is one of the most stunning countries of the South Asian continent which is dotted with a plethora of natural and man-made highlights that catch the attention of the tourists from all over the world. The country is simply irresistible to pay a visit to as it is immersed in a lot of mind-blowing attractions to catch hold of.

The tourism industry in this fabulous Asian country has seen a steep rise in the number of travellers taking a tour of this country as they just can't sustain without coming into close contact with diverse wonders that have made India a popular one. Many book flights to India to feel the charm that is spread in the air.

Nothing can deny the fact that India is a country that is jammed with a rich cultural heritage. It is rightly known as the land of faith and beliefs and is recognized for diversity of people and cultures, hill stations, beaches and the list does not come to an end. Yoga, meditation and ayurveda are some of the fields which entice a lot of international tourists to India. There are various cities in India that are worth exploring and are one of the most acclaimed tourist destinations of India. Let's throw some light on Delhi, Mumbai, Kolkata, Chennai and Kochi.

- 1) Delhi – Regarded as the capital of India, Delhi is the prime point of arrival for those visitors taking flights from all over the world. Undoubtedly, it is a unique fusion of old and new and also, it is a melting pot of various cultures and religions that make India a desired one. It is filled with various sightseeing spots such as Jama Masjid, Qutub Minar, Red Fort, Lotus Temple and many more. Grab flights to Delhi and feel the difference.
- 2) Mumbai – Mumbai is one of the crucial centers for trade and commerce of the world. It is the city that never sleeps as the life is really on the go in this vivacious city. Many prefer visiting the city to realize their various dreams in terms of employment. There are so many places of interest to be checked out in Mumbai which are simply incredible.
- 3) Kolkata – Kolkata is one of the metropolitan cities of India and several tourists make their way to awe-inspiring places of interest that have been admired by history lovers. You can catch hold of various colonial buildings, innumerable mosques and Hindu temples. Why waste time when you can contact a travel agent for various deals on cheap flights to Kolkata.
- 4) Chennai – Chennai, which is formerly known as Madras, is located in southern India and is known for its rich culture and traditions. Various attractions catch the fancy of the tourists such as Marina Beach, Snake Park, Government Museum and many more.
- 5) Kochi – Kochi is one of the important and most visited cities in Kerala. It was previously known as Cochin and is surrounded by the Arabian Sea. You can visit the attractions such as St Francis Church, Cherai Beach, Willington Island and many more.
