Vietnam, Laos and Cambodia are exceptional travel destinations and offer a lot to sightseers. These nations boast magnificent natural beauty, prehistoric attractions and traditions, unseen charms and new development. This is mainly a mesmerizing part of the world for those who wish to find out and be inspired by the lessons taught to us through a turbulent past.

Civilization & the Past

As a group, Vietnam, Cambodia and Laos are identified as Indochina: this idea of a solo unit started off with French colonization. French Indochina was formed in October 1887 from Annam, Tonkin, Cochin China (who together form current day Vietnam) and the territory of Cambodia; Laos was included after the Franco-Siamese War of 1893. The alliance lasted until 1954, subsequent to lots of battle. The end of French participation in the county saw the beginning of the severe US obligation to South Vietnam, finally leading to the Vietnam War.

Even though French immigration created the Indochina entity, the past of the county began about 3000 years ago with the influx of the people from the north. In the past, the countries of South-East Asia received civilizing influence from China as well as India, however at varying levels. Vietnam's major overseas influence comes from its strong connection with southern China, though ever since the 1990s, Vietnam has seen a better exposure to South-East Asian, European as well as American traditions and media. Cambodia and Laos remain a bit more unaffected by western influences. Cambodia's Khmer civilization, as developed and broadened by the Khmer Empire, has distinguishing ways of dance, structural design and sculpture, which have in addition strongly influenced adjoining Laos. The majority of Cambodians and Laotians are Theravada Buddhists of Khmer origin.

Natural marvels of Indochina Holidays (Cambodia, Vietnam Laos tours) Indochina is abundantly blessed with natural marvels. Tourist attractions of Vietnam Travel consist of Halong Bay in the north, with its nearly 200 massive limestone islands rising stunningly from the sea; the numerous white-sand seashores of the central shoreline; and the Mekong Delta in the south. Mekong Tour is also a strong tourist attraction.

Cambodia is most famed for its prehistoric archaeological site of Angkor Wat, however also offers such delights as the French boulevards of Phnom Penh as well as the white sands and fresh seafood of Sihanoukville on the south coast.

Laos is a territory of rivers as well as mountains. Its capital Vientiane sits on a curve of the Mekong River amongst lush alluvial plains, and World Heritage Luang Prabang will make an impact on you with its unrivaled structural designs and sceneries.
