Feel the Excitement by Visiting the Mesmeric Highlights in Colombo by [Robert Connor](#)

Article published on July 17th 2012 | [Travel](#)

After a long time, your most awaited season has arrived and is encouraging you to join the league of backpackers. So, would you like to become a backpacker if you already aren't one? You would come across myriad wanderers or shall we say, globetrotters, which may be the most appropriate word to describe those who are fond of journeying from one location to another.

Where have you decided to take an expedition to this summer for an unflawed vacation? There is a comprehensive list of hotspots that are immersed in diverse attractions which are definitely worth a visit. But there is one nation in the Asian continent that proudly boasts of its magnetic charm casting a spell on several tourists. Any guesses? Yes, your answer is correct. What can be fascinating than the country of Sri Lanka? Sri Lanka is one of the most beautiful nations on the planet that have been leaking its essence since the times of yore. Colombo is the capital of this enthralling country and has been expansively regarded as the business and commercial center of the Asian country.

Many take flights to Colombo to feel the joie de vivre that exists in the city and catches the fancy of every tourist paying a visit to Colombo. If you are among the fortunate travellers who would be visiting the city for the first time in your life, then you are really out to grab some treat. You would get to feel the unique amalgamation of old and the new.

Colombo is really a stimulating location that fills in you the pulsating effect that you would not be able to let go. There is so much to do and see in the city. You may run short of time but the list of the highlights that need to be checked out is does not draw to a close.

Grab cheap flights to Colombo and be on your way to the capital of Sri Lanka. As soon as you touch down at the airport, you without a loss of a minute commence thinking about what needs to be covered on the very first day of your arrival. What does your mind tell you? You may be showered upon so many sightseeing spots that it is not tough to land in a perplexing situation. You need to scrutinize your itinerary with ease so that you don't run short of time when the time comes to hop on different places of interest.
